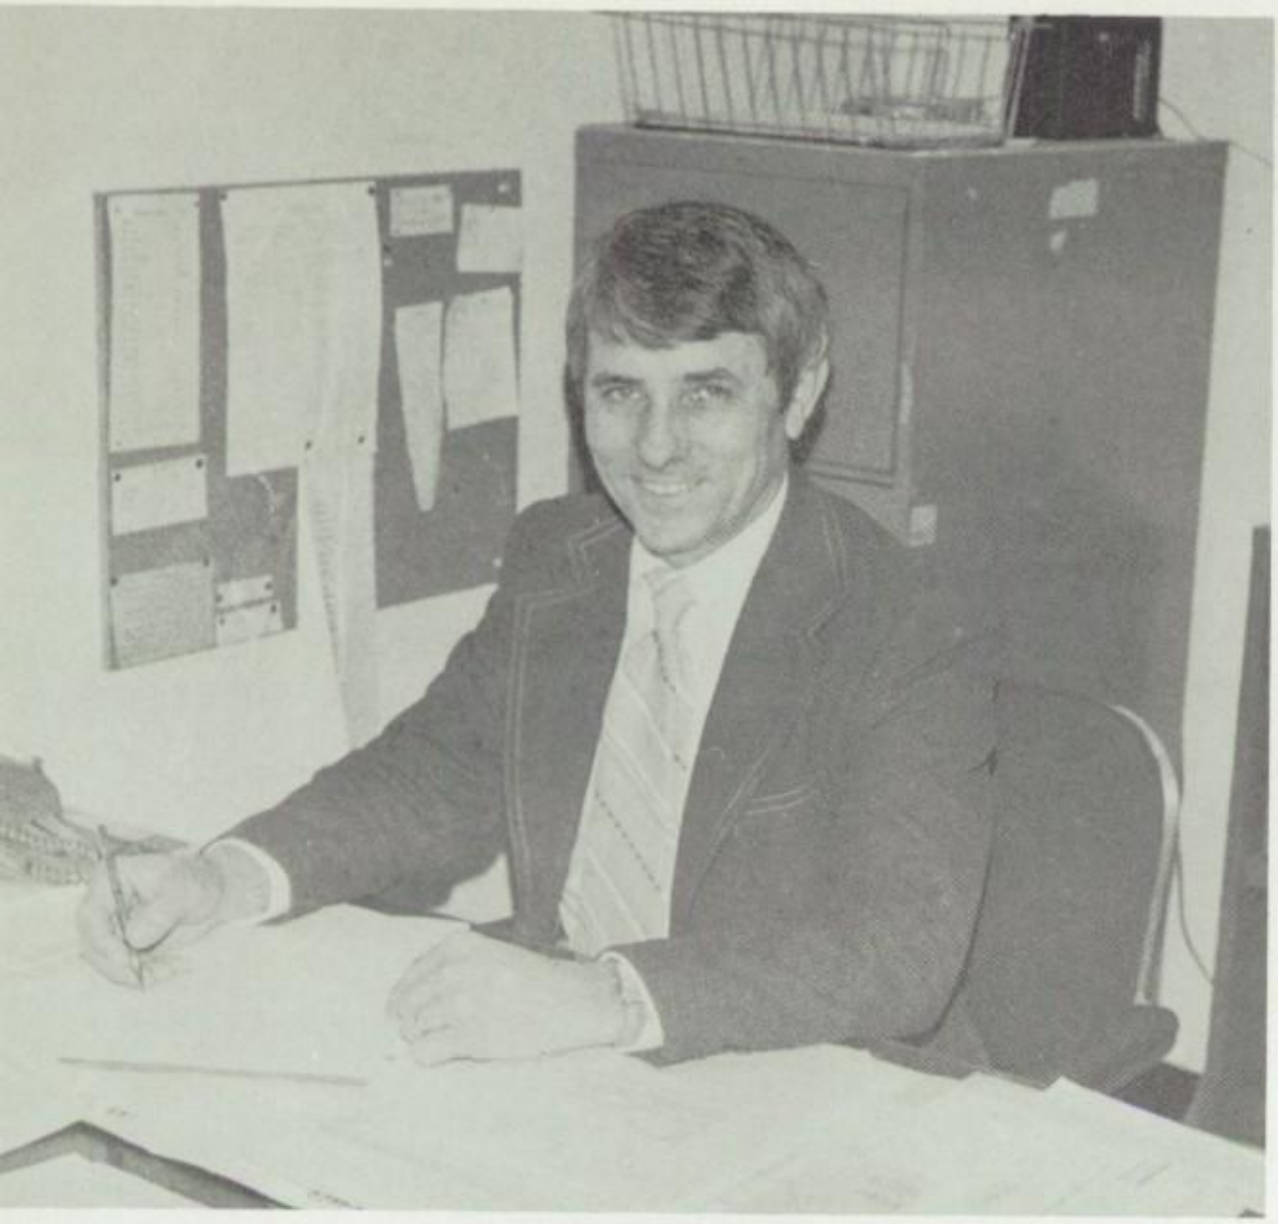
ASSISTANT SUPERINTENDENT BARRY HEATON

B.S. in Education, Illinois State University; M.S., University of Illinois.



It is again time for some of our students to depart from Pana Senior High. Each one, I am sure, have become aware of the obstacles they must face in life and that nothing worthwhile is easily obtained. All of our accomplishments requires dedication and hard work and we must not be deterred by conflicts and disagreements. There is no path in life that does not come in contact with these at one time or another. Just remember, solutions to problems do not occur quickly whereas failure occurs immediately and that it takes a strong willed and educated individual to accept defeat and try again. It is our hope that each departing student has sought and gained a sound investment one can make in his or her own future. It can open avenues to success and guarantee security in today's society. If it is utilized properly, education can help in achieving impossible dreams of every individual.

A TRIBUTE TO MRS. LITTLEJOHN

Mrs. Littlejohn has been a teacher for twenty-nine years, and twenty-eight of these have been in Pana. From 1938 to 1945, Mrs. Littlejohn taught in the old Community High School under R. D. Brummett. She taught at the Junior High School from 1958 to 1963 and from 1963 to 1979 at the Senior High School. The last of the "Brummett Teachers", Mrs. Littlejohn has been a strong figure in the English Department for a number of years. She is indeed a part of the history that has unfolded at Pana High School.

STUDENT COUNCIL

This club holds many activities throughout the year. The club started out in the fall with a spaghetti supper to raise money for Homecoming. Homecoming activities consisted of a slave auction, a homecoming float, and the dance which featured George Faber and Stronghold. The Student Council showed two holiday movies: Murder By Death before Thanksgiving break and The Goodbye Girl for Christmas. The club also held a Chicken Supper, sponsored a hypnotist, Tom DeLuca, and sold Valentine Cookies. So, all-in-all, the Student Council is one of the most active clubs in school.

The Art Club is composed of students in the ninth through the twelveth grade art classes. They involve themselves in earning money during the year for various activities.

At the beginning of the school year if money is needed, the club starts earning money for the amount needed for a homecoming float. The club prides itself in having a first or second place float every homecoming since 1971.

FUTURE FARMERS OF AMERICA

The FFA is a national organization of, by and for the student enrolled in vocational agriculture in public school of America. The FFA has served to strengthen instructions for students in VO-AG by providing a laboratory for practical training in agriculture, leadership, cooperation, and citizenship.

The FFA activities encourage members to learn through active participation how to conduct meetings, to speak to the public, to solve their own problems, to finance themselves, and to assume civic responsibility.

The FFA colors are National Blue and Corn Gold. The motto of FFA is learning to do, doing to learn, earning to live, and living to serve.

This year the FFA has participated in numerous contests. In September, the chapter placed 15th in the Section 19 Soil Judging contest. In November, PHS FFA placed 10th in the Section Parliamentary Procedures contest in which Eric Beyers won first place floor member. February saw the FFA place 8th in the Poultry judging contest in a field of 13 participating teams, and 8th in the Grain Judging contest. In March the Ag Mechanics team placed 9th in the section. The first place Homecoming Parade float was the FFA's. FFA awards give recognition for scholarship and leadership. Scholarship awards went to Sophomore Curt Beyers, Junior Bill Beyers and Seniors Don F. Schmitz and Kurt Pollman. Leadership awards were given to Sophomore Eric Beyers, Juniors Tom Ade and Alisa Barding, Senior Don F. Schmitz. Other Chapter awards included outstanding Green Hand to Curt Beyers; Outstanding Chapter Farmer to Nancy Allen, Outstanding Three Year Member to Larry Berner, and Dekalb Award for Outstanding Senior to Dave Gross.

The Pana FHA chapter is a local affiliate of State and National FHA. The organization is for students enrolled in Home Economics. Purposes are to further interest in Home Ec and to teach better home life. Meetings are held during home-room period. FHA-HERO refers to Home Economics Related Occupations. HERO is added because FHA strives to provide occupationally related classes. At PHS, Food Service Class is offered. Locally, there is no distinction between FHA and FHA-Hero at Pana.

G.A.A.

Officers of G.A.A. are Kellie Stocker, President, Sara Temmen, Vice-President; Debbie Hagen, Secretary; Janet Alde, Treasurer.

The Girls' Athletic Association is the largest club in Pana High School. G.A.A. usually has one Chilli Supper to make enough money for other events. With that money they have a Sophomore Initiation every year followed by a picnic and a Daddy Daughter Date Night. This year the club paid half of the bill for G.A.A. sweaters, financed a volleyball banquet, and a big banquet at the end of the year. The association has done some charity work. The members have gone door-to-door collecting money and distributing information for the Muscular Dystrophy and other foundations. They also held a bike-athon. This year is the last year for G.A.A. It was originally organized to enable girls to enter competitive sports. The existence of girls' athletic competition without an equivalent boys' program does not comply with State Title IX. Intramural sports have taken the place of the GAA program.

BOYS INTRAMURALS PROVIDE SPORTS ACTIVITY FOR STUDENTS

Of eight teams competing in IM Basketball, Red came out on top with White finishing scond. Blue was the third place team while Orange was fourth. The rest of the order is Brown, Gold, Black, and Yellow. These standings were determined in an elimination tournament. At the end of the season, an All-Star team was put together to take on the faculty. Faculty nipped the All-Stars by a score of 50-47.

Captains were: Red, Rick Miles; White, Mike Roark; Blue, Todd Marty; Orange, Duane Berns; Brown, Bernie Sinclair; Gold, Mike Barber; Black, Geff Smith; Yellow, Brian Meachum

Receiving Most Valuable Player, and Best Sportsmanship awards during the regular season was Jim Moore. Mr. Lacy was sponsor this year.

D.A.R.

Kellie Stocker

This award is granted each year to one graduating senior girl. It is based on the possession of the following high qualities: dependability, service, leadership, and patriotism. The faculty selects one girl who they believe best qualified on the basis of the above four points. The Peter Meyer Chapter of the Daughters of the American Revolution sponsors this award.

S.A.R.

Jim Moore

The Society of the Sons of the American Revolution is a patriotic organization composed of lineal descendants of those colonists who took part on the American side of the Revolutionary War. This group sponsors a Good Citizens Award to a graduating senior boy chosen by the faculty as having the highest degree in four qualities. These qualities consist of dependability, cooperation, leadership, and patriotism. This award is made late in the first semester of the school year.

For eleven weeks of the summer of '78, I had the fortune of living as an AFS student in Lima, Peru. Lima is the capital and largest city of Peru. The population is over 5 million and it is very near to both the mountains and the Pacific Ocean. I enjoyed both of these very much because it was my first opportunity to really see the two.

My family consisted of my host mother, Leticia, sister Ana, and my 10 year old brother Victor. Mama's niece, Gisella, her husband Percy, and 8 month old daughter, Gigi, also lived with us. Family life in Peru is very close-knit and loving. We had our problems but we had even more fun and happy times.

I was also able to attend school in July and part of August. Most of the classes are the same as ours but the rules and procedures are different. For example, the teachers change classrooms instead of the students.

One of my more exciting experiences during the summer was a 3 day hike in the Andes Mountains. Seventeen of us summer AFS students and 3 Peruvian guides walked 65 miles from a train depot near Cusco, Peru to Machu Picchu. Machu Picchu is an Inca Indian city which is ruins now but it is one of the biggest attractions of Peru. People come from all over the world to take the hike and visti Machu Piccu.

I can't begin to express what this experience has meant to me. It was a once-in-a-lifetime opportunity and a fantastic experience. I have so many memories and cherished friendships that I could never possible have had without AFS. I want to thank the AFS chapter and all those who supported me during the whole process, especially my family because without them none of this would have been possible.

Melanie Sliger

Hi everybody! and "Hello" to all my friends "young-and younger" and a special "Thank you" to the AFS chapter who made my stay possible and so pleasant.

When I came the first morning to school, Wow! I got excited. I had never seen so many students going in cars to school. I liked to watch the life that went on in the parking lots, the friends offering rides to each other, and the happily smiling students walking into the school building and through the halls. I thought, "Floh, if it goes on like that, this school year will be a great time. And, I was right! Truly, this school year became my most liked one.

I enjoyed very much the teasing, joking, and chatting with the teachers, students, and people outside of school, the games, the kooky hats, and the honking of the horn when seeing friends, ... , to say it shortly everthing that makes your life so typically American.

There is one thing that kept me from becoming totally American- the hamburger- but I liked the "floburger."

This and all the other variations of my name, and the many, many funtimes and experiences I had with my friends will make me laugh, remembering and telling them.

I'll refresh our memories by coming to see you again. Or, whoever knows you may see me in Austria before that.

Maria E. Plohberger

The summer of '78, during which I spent two months as an American Abroad in Switzerland, was the most rewarding experience of my life and one that I will never forget. This past summer greatly affected my life and my way of thinking. I came to realize that I am not living just for the United States but for the World. Becoming an A.F.S. student was something that I had always hoped to be and when it became a reality, it was a dream come true. During this past summer I was able to look at my own country through the eyes of the people in another country, and realize how important the United States is to me. From my trip to Switzerland, I gained much by learning and living as other people do.

During my trip abroad, I stayed with the Hans Wyss family in Schupfen, Switzerland. Schupfen is a small farm village, located eight eight miles from the capital city of Bern. The population of Schupfen is 2,500. My family consisted of my host father, Hans, 30, host mother, Marianne, 31, and two little brothers, Mathias, 4, and Christian, 2. Both of my parents were very active in social and gymnastic events. My father was a Diplomat Hairdresser and my mother was a gymnastic and swim instructor. My family and I were very close and shared many good times together. We took many trips to the mountains and saw many kantons (states) of Switzerland.

On August 1 I was able to join in the celebration of the birthday of Switzerland. A big parade and night festival were held on this occasion. The festival consisted of Swiss dancing and eating lots of Swiss food.

The Swiss food and customs are very different from the American way of life. I had a hard time getting used to eating strong Swiss cheeses for breakfast. My mother taught me how to make several kinds of Swiss food, such as breads, swiss pies, and different salads. There were many things for me to do. I attended parties, gymnastics, band rehearsals, school, and even did some mountain hiking. I had some responsibilities just like the other members of the family. I did the shopping in the village every morning, helped my mother with the house cleaning, and cooking, and even helped Grossvatti put up hay from time to time.

Last summer two Pana High School students, Linda Sims and Melanie Sliger, were chosen to participate in the American Field Service program. In this program, one to two students are picked each year to travel to different countries. This way they are able to learn the ways and customs of others. The past year, Maria Plohberger an A.F.S. student from Austria, has stayed in Pana at the home of the Donald Bruns's.

CO-OP

Initiated in the 1972-73 school year, the Co-op program is a two-credit offering designed to supplement the educational program by giving a practical approach to adult living. One credit is given for the classroom section of the program and another credit is given for the cooperative work itself. In most cases, students have assumed the responsibilities for placement at a job. In-class course work includes counselling in realism regarding choices, information about job interviews, job problems, taxation, insurance, and knowledge of one's own abilities and aptitudes.

AREA VOCATIONAL CENTER

OKAW are vocational center is a school in Vandelia which teaches vocational subjects. The subjects open to Pana are auto, body repair, electronics, building trades, and machine shop. This allows area schools to participate in classes and gives a new range of educational possibilities for Greenville, Patoka, Mulberry Grove, Pana, Nokomis, and Vandalia. Members from Pana are: Auto Mechanics; Brian Blodgett, Brad Casner, Tom Coleman, Doug Litton, Ron Romine, and Rob West. Building Trades; Ron Brown, Bill Harlow, Kevin Moss, and Don Zucco. Auto Body Repair; Wes Drockton, Greg Dust, and Kirby Miles. Electronics; Mark Dunn, Chris Harlow, and Dave Kretzer. Machine Shop; Don Ulbright, Ron VanDoren, and Mark Harlow.

LEARNING CENTER MEETS AREA NEEDS

The Pana Learning Center was created in 1973 by the Pana School Board for the purpose of providing alternative education for high school students, and adult education for citizens interested in continuing their education. Since its first day of operation in June 1973, The P.L.C. has branched out into other areas of education when the need for further programs became known.

The programs currently being offered at the Center are: High School Credit, Pre-G.E.D. and G.E.D. Vocational Courses and G.E.D. for Public Aid recipients, a Jr. High Slow Learner Program and High School Correspondence courses.

The High School Credit course offered at the Center is an alternative program for high school students. A student must be at least 16 years of age or older, and have been officially dropped by the high school he attended for six weeks or longer. Basic high school churses are offered to the credit student, as well as a Vocational Technical course, for an opportunity to have on the job training at various work sites. The Vo-Tech course also offers a classroom phase to instruct the students in the varied things needed to successfully enter the world of work. The Credit classes are offered both day and night, with hours in the morning from 8:30-12:30, at night from 6:00-9:00.

The Pre-G.E.D. and G.E.D. program is also offered day and night. This program, like all courses at the Center, is taught with the individual in mind. Each new G.E.D. student that enters class is usually at a different academic level than his classmates. Therefore, the individualized method of instruction has proved to be the most efficient way for helping the student reach his goals.

The High School Correspondence Course is the newest of the Center's programs. In 1975, an ad was placed in the local newspaper to determine if there was a need for just such a course. The response was favorable and the course was created. The biggest problem facing the staff after the decision was made was how to determine the volume of work needed to constitute a credit. After reviewing various programs, notably the University of Nebraska's correspondence program, the decision was made and the guidelines written.

By agreement with the Pana Community Unit School Board, the learning Center existence depends on its ability to come out in the black each year. So far, this has been possible by using varied sources of funding. It is hoped that the Learning Center can continue to do this and be able to provide course work to the students that it serves.

POM PON SQUAD SHOWS HALFTIME ROUTINES

Front; 1 to r, Jennifer Gingery, Janet Blue, Mary Hill, Melanie Sliger, Terry Gross, Middle: Sally Matthews, Back row: Adella Henderson, Lori Beyers, Kim Hagar, Stacey Mercer, Jamie Beeson.

The Pom-Pon squad consists of ten girls and one alternate who perform routines to band music during halftimes of home football and basketball games. They also perform routines to band music during parades such as the Labor Day Parade and the Homecoming Parade.

All ten girls get together about three weeks before a game and make a choice from among three or four songs that would please the audience. Ideas for movements and formations are then discussed and each girl tries to make up a new move or formation that can be used in a new routine.

Once they get the separate ideas and formations, the movements are choreographed in a pleasing order. The girls then work together until the routine looks its best and everyone stays together with the music. This usually takes two or three weeks but it is accomplished by the night of the game. The girls work hard and present pleasing routines.

The Pana Senior High team participating in the second annual Academic Achievement Bowl held Saturday, April 28, at Hillsboro won its first round but was eliminated in the second.

Representing Pana were Bill Havrilka, Ken Gudehus, Crystal Vilcot, and Daring Ashby.

In the first round, Pana defeated Piasa Southwestern with the score of 26-23. In the second round, Pana was up against the winning team of the Academic Bowl, Evanston, who won over Pana, 31-16.

Evanston won the Bowl, with Lanphier, second; Sullivan, third; and Decatur Eisenhower, fourth.

Thirty- two teams from high schools throughout Illinois participated. The tournament was single-elimination.

HYPNOTIST DELUCA VISITS P.S.H.S.

On March 22 Tom DeLuca hypnotized several PHS students. Saying that it was growing hotter, the students took off shoes and jackets. When convinced it was cold, they began shivering. Later, all were asked their name. They stuttered and stammered. The event was sponsored by the PHS Student Council.

The Pana Panthers 1979 boys track team put the finishing touches on a goal that has been the dream of hometown track fans for many years: four consecutive Mid-State titles. This is an unprecedented fete in the history of the Mid-State conference. Pana's 1979 thinclad's were no different than other track teams of the past, as they, too, enjoyed a great deal of success. Under the helm of Coach Jay Dunseth, the Panthers compiled a 7-2 dual record. Also the Panthers had 4 performers advance to the state meet in Charleston with one of these placing in the top 5. Included in this list were Juniors Bruce Hrabak and Doug Peifer and the Senior duo of Ken Bland and Mark Reed. Bland took his second fifth-place medal in the shot put.

The 1979 track squad could leave its presence felt for a long time as two records have long-standing potential. Marty Stupek improved his own mark of 13'7½" in the pole vault while Bland had to battle late into the year to overtake Pat McDonald's reign in the shot put. Bland's current standing record is 56'4½".

PANA OPEN BECOMES A PROUD TRADITION

Track, of all prep sports, has been Pana's ''pride and joy'' throughout this century. The Rose City has come to look for and even demand success from Panther track and field team. The effect of this is obvious. Pana has won seventeen Mid-state titles in the brief 35 year history of the conference. What seems to be the driving force of Pana's passion for ''cinder success''?

The Answer to this question is a continuous running story whose roots were set on a cold, sunshiny April day in 1938. In this first Pana Open, which was held by Pana Assistant track coach Jack Austin, the Panthers outdueled Hillsboro, Decatur, Tower Hill, and Nokomis to take the meet's first title. Clyde Hail led the Rose City tracksters to this early triumph by tallying 21 points.

As the years went by, the Open grew in size and numbers until finally in 1950 a two class system was developed. These divisions, Class A and Class B, had its dividing line set at an enrollment of 200. Since 1950 the limit has been altered but the concept of a two class system remains.

Today, the Pana Open is limited to schools with enrollments of 750. This, plus the fact that it is run early in the season, makes the meet one of the most popular small school gatherings in Illinois.

In the 41 year history of the Open, scores of highly talented Panthers have passed through the gates at Brummett Field. Such ''old greats'' as Ren Alde, Lee Weakly, and Ron Crawford are slowly giving way to Joe Etchison, Marty Stupek and Ken Bland. It is these old memories of success and strong new desires for victory that makes the Pana Open the premier track meet that it is today.

PANTHERS WIN REGIONAL CHAMPIONSHIP

The 1978-79 Pana Panther basketball team ended a 12 year regional drought this season when they captured the Class A title of the Pana Regional, March 2nd with a 70-61 win over Shelbyville.

Previous Panther Sectional appearance had been limited. In 1946 the Panthers made its first and most successful venture into state competition, when Coach Ewald Metzger's ballclub advanced to Huff Gym in Champaign an exclusive member of the ''Sweet Sixteen''. Pana's stay at Champaign was brief as the Panthers fell victim to the legendary Gay Kinter's Runnin' Reds of Stephen Decatur, 59-41. Pana's next post-regional play came some 21 years later when Mike Bland, Jerry Otloe, and Jime Lowe led the 1966-67 Panthers to the Decatur Sectional. Pana's visit here also a short one. Coach Bruce Murphy's club fell to Lincoln 70-55 in the opening round action.

Possibly the most surprising and pleasing Panther Regional champaign was this season's team. Under the direction of fourth year head Coach John Blackburn, Pana racked up a 20-8 record in route to a 70-61 Regional Championship wir over Shelbyville. Unlike Pana's Regional victors of the past, this squad had no outstanding ''superstars'' but a group of well disciplined, team oriented seniors. Those on this list were co-captains Mark Reed and Duane Beyers, Ken Bland, Marty Stupeck, Ken Gudehus, and Dennis Chamberlain. This years squad too fell short of that long awaited state title as they were eliminated by Rochester 61-59 in the opening round of the Shelbyville Sectional.

It is hoped that the fine effort and example set by the 1979 Pana Panthers will open the gate to the long awaited state title that Rose City cage fans have so long desired.

PANTHER FOOTBALL

The 1978 Pana Panther football team posted a 6-3 record. It was Pana's first winning season since 1972.

The Panthers were in the thick of a tight mid-state Conference race until late in the season when they suffered a 16-7 loss to Effingham.

Pana placed 6 men on the All-Conference squad. Included on this list was Marty Stupek, who made the team at 4 positions, marking the first time this had been done in the history of the conference. Other mid-state picks were, Jim Moore, Ken Bland, Don Spinner, Dennis Chamberlain, and Bernie Sinclair. Honorable mention went to Darin Suever and Jim Moore.

The 1978 volleyball team, coached by Carl Schramm, won the district hosted by Pana. In the championship game, co-captains Junell Maton and Janet Alde, along with senior teammates Cheryl McLeod, Jana Giffen, Sara Temmen and Michele Nance, the regular varsity players, knocked Assumption out 20-5, 20-1. Advancing to sectional play, held at Niantic-Harristown, the team met with Pleasant Plains. Winning that match with outstanding performance, the six seniors and Ann Bohannon met with Athens. Athens out-played the Pantherettes in a good match 14-20, 12-20. They ended a very successful season with 13 wins and 5 losses.

Something new was added to the varsity squad this year. Instead of the usual five, they had six varsity cheerleaders.

Among the usual routine of cheering at football and basketball games the cheerleaders participated in the Labor Day Parade and are in charge of the Homecoming activities. The Homecoming week consisted of a tape race, cutest baby contest, hat day, kiss the pig contest, orange and blue day, and bibs day. The cheerleaders have also organized several pep assemblies during the school year.

In past years a panther headhoop was made by the varsity cheerleaders, for football games and it is up to the cheerleaders to keep the tradition going.

WORK BEGINS ON PROM

The first preparations for making money to support the 1979 Junior-Senior Prom, started in the Fall of 1978 with the Junior Class raking leaves for the Pana Community. After that, the Junior class was bust until the last minute raising money doing such things as; selling refreshments, working at coat check at ball games, sponsoring a Faculty-Student basketball game, selling Halloween insurance, cake auctions during school year, and numerous other activities to finance the Prom.

February was the month that the Prom Committee started to assemble to decide on the theme which was unanimously voted on to be ''Stairway to Heaven'' by Led Zepplin. Also the band had to be picked which was the group ''Bogart'' from Centralia, Illinois. After these preliminaries were finished, the Committee had to start deciding on decorations, and to appoint the various committees needed for the final preparations of the Prom.

The last two weeks of April were the hair-razing weeks of Prom with getting everything just right. The Prom went off even better than expected and will always be remembered.

CLASS HISTORY

In the early Fall of the year nineteen hundred and seventy-seven, one of the most dominant regiments of radicals began its three year conquest of territorial regions commonly referred to as Pana Senior High School. Under the fascist dictatorship of President Bill Havrilka, Vice-President Michele Nance, Secretary Michelle Declerck and Treasurer Julia Budds, this group, 155 strong, set forth to capture and successfully control the confines of this local institution. After enduring several battle scars, most of which were inflicted by a fading but still strong Senior Class, this coup moved to phase two of its plan, their Junior year.

This year, the group made their bid for total control-strength both on and off the school's campus. Inside the walls of PHS, these juniors named Janet Alde as their choice for Labor Day Parade Queen while paving the way for one of the finest proms for foreign queen Linda Dionne and her entire royal court. On the athletic battlefield they also excelled. Janet Alde and Junell Maton played a vital role in three state appearances by the girls volleyball, track, and tennis teams. Meanwhile, the boys junior varsity basketball team coasted to a 14-4 record in preparing for one of the finest ''roundball'' season's in the school's history. Although their strength was almost staggering, top-brass still found it necessary to send ten enlistees to Boys' and Girls' State to prepare for one last full-scale invasion in the years of 1978-79.

The new-found leadership from these summer trainees proved to be the turning point in the total campaign. The

THE THREE YEAR CAMPAIGN OF THE CLASS OF 1979

Class of 1979 initiated their Senior campaign with a very crucial triumph as Homecoming Queen Marla Niehart led her royal subjects to a 6-3 football season, one of the Panthers best years since the early seventies. While the men were upholding things on the Eastern front, the girls were doing their part in the West. Headed by state tourney performers Cheryl McLeod, Michele Nance, Jana Giffen and Janet Alde, the ladies tennis team posted its fifth undefeated Mid-State conference campaign. While progress was being made on the battlelines, several upheld the political front. Carol Norris was named an NMSQT commended student in addition to receiving the National Elks Scholarship Award, one of only two given in the southern part of the state. Carol was joined in her triumphs by Kent Rigdon, Ken Gudehus, Jim Moore, Bill Havrilka and Bambi Hammond, PHS's 1979 Illinois State Scholars.

By Christmas, the 79ers had made amazing advances and an early June ending was in sight. With this in mind, the forces began their last full-scale assault on their opposition. This, too, was a huge success. The boys basketball team racked up a 20-8 record and captured Pana's first regional title since 1969. Generals Mark Reed and Duane Beyers were put in command of Pana's action on the hardcourts. Foreign intelligence agencies found Beyers' work so impressive that they enlisted him as a ''full-paid'' officer in a base in the southern portion of the state, known by underworld agents as SIU at Edwardsville.

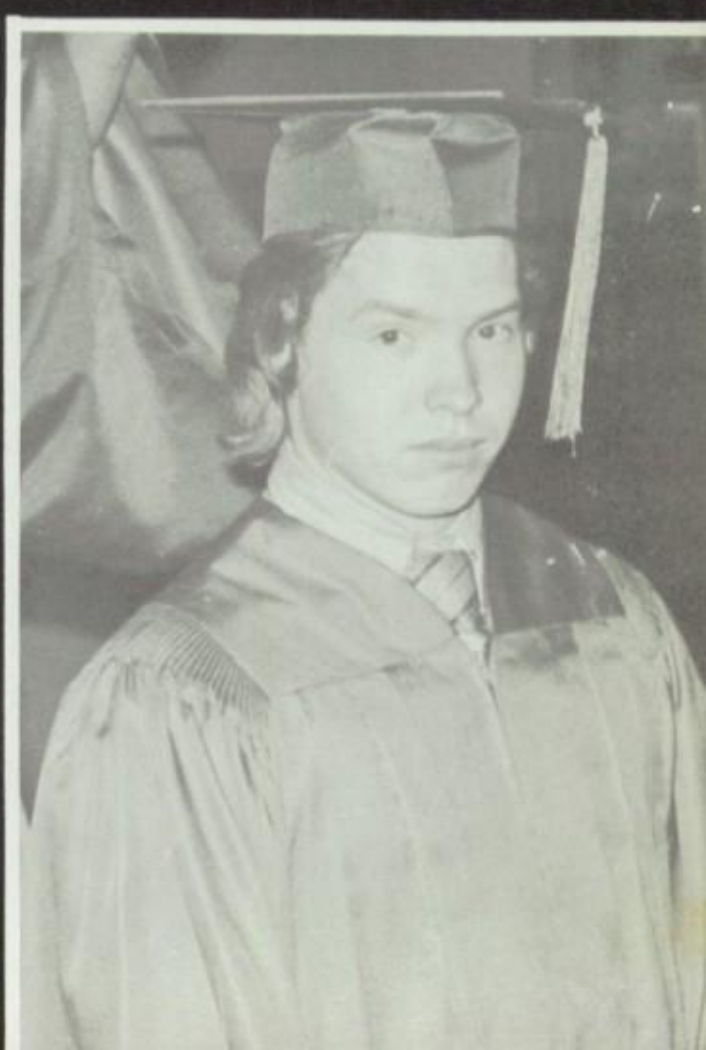
OF 1979

1979



As this school year comes to an end, we realize that many memorable experiences have taken place in the lives of the Pana High School students. Since the theme of this yearbook is making history, we have tried to record this year's history making events.

We hope that in the years ahead as you turn the pages of this yearbook, it will bring back many pleasant memories and experiences for you.

We would like to thank all who contributed to our effort in order to complete this yearbook, especially Kurt Armstrong for his artwork and Bill Havrilka for his writing.

H. N. Schuyler donated the site for the present city library. Andrew Carnegie donated $14,000 and the structure was completed in 1912 at a cost of 25,000.

In 1911, Captain and Mrs. Kitchell donated the present gateway to Kitchell Park. The Park itself was gifted to Pana by the Kitchells on July 15, 1908.

Now owned by Mr. and Mrs. Walter E. Downs, this house was built in 1916 by H. N. Schuyler.

Kitchell Bridge was donated by H. N. Schuyler in 1910.
